Womxn In Tech
UNIVERSITY OF CALIFORNIA

Womxn Rock IT 2026

The UC Womxn in Technology (WIT) Committee proudly continues its annual tradition of honoring the exceptional talent, leadership, and impact of womxn in IT across the UC system through the "UC Womxn Rock IT" campaign. Each year, local WIT chapters nominate individuals and teams whose contributions drive innovation, strengthen our technology ecosystem, and exemplify inclusive excellence. We are honored to recognize this year's distinguished honorees below.
